In November of 2018, Holtville voters approved Measure "G", a Proposition 39 general obligation bond measure placed on the ballot by the Holtville Unified School District. The text of the bond measure, as provided in election documents was as follows:

*To improve the quality of education; modernize outdated classrooms, restrooms and school facilities; and construct a new gymnasium/multipurpose room for school and community use; shall Holtville Unified School District issue \$10 million of bonds at legal interest rates, generating on average \$617,000 annually as long as bonds are outstanding at a rate of approximately 4 cents per \$100 assessed value, with annual audits, citizens’ oversight committee, NO money for salaries and all money staying local?*

In accordance with State law regarding Proposition 39 bonds, the District must establish a Citizens’ Oversight Committee (COC). The purpose of the Committee is to inform the public concerning the expenditure of the bond proceeds.
