2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Sam Webb Continuation High School is located in the rural, agricultural community of Holtville, which is located 120 miles east of San Diego, 40 miles west of the California/Arizona border, and 20 miles northeast of Mexicali, Baja California, Mexico.

Sam Webb Continuation High School serves students from Holtville High School, assisting them in their ability to get their high school diploma, by catching up on their units and improving their GPA. When they attending Sam Webb, students can choose to complete their high school career at Sam Webb and receive a diploma, or return to Holtville High School and graduate with their fellow classmates. Sam Webb Continuation High School provides instruction in English, Math, Science, and other core and elective subject areas. Sam Web Continuation High School is instrumental in giving high school students a second chance. This second chance is in developing the necessary skills to be successful in high school, and in life. It is rewarding to see students succeed with help from the Sam Webb Continuation High School staff. Students are encouraged to take full advantage of the program and when they do, they are rewarded with the skills and tools they need to be successful in life.

Mission Statement:

The Sam Webb Continuation High School takes pride in valuing excellence, individuality, diversity, and creativity. Sam Webb is committed to the intellectual achievement, emotional, and social development of each student in a caring, collaborative, supportive environment.

Vision Statement:

The Sam Webb Continuation High School prepares students for their futures, which may include college, technical institutions, and/or careers. We provide an environment that supports quality instructional programs and empowers students to become independent, resourceful, and successful citizens and scholars.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	9	--	32	37	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Sam Webb High School. Parents are invited to take part in planning activities such as the SPSA and LCAP, volunteer on campus, chaperone events, and participate in fund raising efforts. Sam Webb Continuation High School has a functioning School Site Council that also functions as their ELAC or English Language Advisory Committee. Because of COVID-19 this year, all meetings are done under the rules and regulations set by the State and local agencies. We are continuing with giving access by using ZOOM, Google Meets and other programs that gives all stakeholders the ability to be involved and yet safe.

2023-24 School Safety Plan

The safety of students and staff is a primary concern of Sam Webb High School. To safeguard all stakeholders a comprehensive School Site Safety Plan was most recently updated in October 2022 . It was discussed with the entire faculty and support staff at the beginning of school in August and again at the end of the semester in January of 2023. Procedures for what to do in case of an earthquake, fire, or a lockdown are practiced at the site on a quarterly basis. This year's procedures for dealing with COVID-19 were developed and approved by our school board and those too were shared and practiced by all staff, and others who are on campus daily. All guests to the campus must sign in at the office and wear a visitor's badge at all times. A printed copy of the Comprehensive School Safety Plan is available at each school site and is also available on the District web site located at www.husd.net .

Fiscal Year 2022-23 Types of Services Funded

Holtville Unified School District provides options for parents and students at four sites: Holtville high School (9th-12th); Holtville Middle School (6th-8th); Pine School (K-8th); and Emmett S. Finley School (k-5th). In addition, we offer an alternative/continuation high school at Sam Webb High School. Sam Webb is an alternative to a comprehensive high school. We offer one-on-one counseling while focusing on credit recovery with the goal of having the students return to Holtville High School, graduate from Sam Webb or move on to Adult Education depending on performance and age.

Professional Development

Professional development is an on-going process in the Holtville Unified School District. Staff members participate in conferences and workshops throughout the school year. The District provides early release Wednesdays in order to provide all staff with training in areas of need, curriculum development and alignment with the California Standards. The District has increased the number of days designated as staff development in order to keep pace with the changing state requirements and the implementation of the California State Standards (CCSS). Teachers are given release time to work with colleagues in order to look at student data and make changes, as needed, to their lessons in order to prepare all students to meet or exceed state

Professional Development

proficiency levels. The focus of professional development continues to be in the areas of mathematics, English Language Arts, and EL improvement. Administrators work closely with other district administrators as well as with the Imperial County Office of Education. Teachers are provided feedback from administration.

This table displays the number of school days dedicated to staff development and continuous improvement.
