# Holtville High School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

## California School Dashboard

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest// that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

[^0]Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Holtville High School is located in the rural, agricultural community of Holtville, which is located 120 miles east of San Diego, 40 miles north of the Arizona/California border and 20 miles northeast of Mexicali, Baja California, Mexico.

Holtville High School, established in 1909, provides a caring, environment which supports our students' academic, extracurricular, and social needs. In 2017 and 2018 Holtville High School was awarded the "Race to Submit, the Highest Number of FASFA's", and just the year before, Holtville High School received the distinction of having the highest CAASPP math scores in the Imperial Valley. Holtville High School won recognition, statewide, for having the highest graduation rate in the state of California. Holtville High School provides a one-to-one, take-home technology program to all students in grades 9 to 12, they are permitted to take their computers home or use them off-site. In October of 2021, Holtville Unified School District administered a parent survey and parents responded strongly that they feel their school is clean and well maintained. In addition, parents felt they had input, were able to communicate with staff, and were well informed. In January of this year, a Holtville Unified Administrative team performed a FIT, Facility Inspection Tool, where they walk through the campus and inspect it based on a number of points, and Holtville High School was rated as "good". Holtville High School enjoys a large volunteer group of people consisting of parents, grandparents, local community members, social groups, clubs and organizations, businesses as well as the fire and police departments. Holtville High School promotes a positive and competitive environment that fosters respectful, responsible students and ensures that every student reaches a high level of academic achievement. This has been determined by scores based on the state and national standards assessments, numerous FFA achievements, sports championships, and acceptance into colleges. Holtville High School is committed to a comprehensive system of support to assure all our students experience a positive and successful educational experience. It's liberating to see how our extended Viking community all work together to develop well-rounded young men and women who leave our institution prepared for college or the competitive working world of the 21st century. We use best practices to

## 2023-24 School Description and Mission Statement

improve instruction and student achievement. We invite all stakeholders to share in our school's continuous improvement efforts. Holtville High School encourages all stakeholders to become part of all the factors contributing to the success of our students, by attending the sports events of our football team who made it to CIF again this year, the Cross-Country team who is the third group to make it to the State Level, Girls Soccer team and boys Basketball team who made it to the semi-finals, all of our students who were responsible for getting the highest overall math score in the Valley on the CAASPP. Fight on for Holtville!

## Mission \& Vision

Mission Statement:
Holtville High School provides standards-based curriculum that offers a system of support to help students close the achievement gap and provide college and career pathways.

## Vision Statement:

Our students will journey forth, armed with knowledge and experiences that prepare them for success in college and careers in a dynamic global economy.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Holtville High School, originally constructed in 1909, is situated on 26 acres. The campus is comprised of 26 permanent classrooms, six portable classrooms, a cafeteria, an office building, a gymnasium, three athletic fields, a library, and three computer labs. Beginning in 2004, the campus underwent extensive modernization and reconstruction. The facility is constantly inspected by the maintenance and custodial staff and by site and district administration.

## Overall Facility Rate

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 Career Technical Education Programs

Holtville High School strives to graduate citizens who are fully capable of functioning and prospering in society. The school's workforce preparation program prepares students to succeed through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom to real-world contexts. Programs are available in the area of business, agriculture, medical terminology and pharmacy technology, and new this year coding, and the current building of a new AG barn. The courses are aligned with post-secondary educational institutions. Curriculum and instructional strategies that foster critical thinking, problem solving, leadership, and academic skills are consistently taught to ensure work-readiness skills. Speakers from the community, use of technology, and career-related research projects and community service projects are made available for students to heighten their awareness of options for education, training, and employment beyond high school. All career preparation courses satisfy the district's graduation requirements and incorporate State Career/Technical Education standards. Two CTE standards additionally articulation agreements with our local community college.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Holtville High School. Parents are always invited to volunteer on campus, chaperone events, and participate in fund raising efforts. Parents are members of the School Site Council and the English Learner Advisory Committee; they further participate in the self-review for Western Association of Schools and Colleges (WASC). Numerous programs and activities are enriched by the generous contributions from the community, local businesses, and service organizations. The Holtville Women's Club, Holtville Rotary Club, Holtville Touchdown Club, Band Boosters, and the Holtville Athletic Club as well as others provide student recognition and other donations to the school on a regular basis.

## 2023-24 School Safety Plan

The safety of students and staff is a primary concern of Holtville High School. To safeguard the well-being of students and staff, a comprehensive School Site Safety Plan was most recently updated January 2022. It was discussed with the entire faculty and support staff at the beginning of school in September and will be again discussed at the end of the school year. Procedures for what to do in case of an earthquake, fire, or a lock down are practiced at the site on a quarterly basis. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before and after school, during lunch and during passing periods. Supervision is a responsibility shared among teachers and school administrators. Safety plans are published on each school's web site, and made available to all stake holders. A printed copy of the Comprehensive School Safety Plan is available at each school site and can be found on the District web site located at www.husd.net.

## Fiscal Year 2022-23 Types of Services Funded

Holtville Unified School District provides options for parents and students at four sites: Holtville High School (9th -12th); Holtville Middle School (6th - 8th); Pine School (K-8th); and Emmett S. Finley School (K-5th). In addition, we offer an alternative/continuation high school at Sam Webb High School and Freedom Academy, which is a school of choice. We offer many extra-curricular activities such as band, clubs and sports for our students.

Holtville High School offers: FFA, sports, robotics, choir, band, jazz band, cheerleading, flag team, Yellow Ribbon Club, Pep Club and Associate Student Body (ASB).

The district also offers College Begins in Kindergarten (CBK) as a summer program. AVID (Advancement Via Individual Determination) strategies and college readiness skills have been implemented district wide. All sites within the district offer tutoring opportunities for all students.

Holtville Unified also has a very active Migrant Education Program, which allows students to receive extra tutoring, trips to colleges, and participation in activities such as the Migrant Speech and Debate teams. We have an adult education program which offers ESL, a high school diploma, citizenship and English classes. We have a full transportation department that transports students to and from school as well as our athletes to and from activities. We have a full time nurse for the students as well as two nurse's aides to provide for the health of our students. We are continually looking at the best uses for all funds to meet the needs of our students.

## Professional Development

Professional development is an on-going process in the Holtville Unified School District Staff members participate in conferences and workshops throughout the school year. The District provides early release Wednesdays in order to provide all staff with training in areas of need, curriculum development and alignment with the California State Standards. Teachers are given release time to work with colleagues in order to look at student data and make changes, as needed, to their lessons in order to prepare all students to meet or exceed state proficiency levels. The focus of professional development continues to be in the areas of math, English Language Arts, and EL improvement. Administrators work closely with other district administrators as well as with the Imperial County Office of Education. Teachers are provided feedback from administration and an on-site teacher resource coach.

This table displays the number of school days dedicated to staff development and continuous improvement.
