School Description

Pine School is located in the rural, agricultural community of Holtville, which is located 120 miles east of San Diego, 225 miles southeast of Los Angeles, 40 miles west of the California/Arizona border and 20 miles northeast of Mexicali, Baja California, Mexico.

Pine School is a K-8 school approximately 6 miles north of Holtville and serves approximately 194 students. Pine School has transitioned to a technology-driven, one-to-one, cloud-based school. Each student is assigned an iPad. Also, each classroom, the library, cafeteria and computer lab is equipped with LCD projectors, carts for portability, Apple TVs, speakers, and internet capable 60" televisions. Each teacher is assigned an iPad and Mac book with internet connectivity. The entire Pine campus is wireless, where teachers, students, and visitors can go outside and use the technology outside when weather permits. The Apple Connect Ed program provided Pine with a full-time support person from Apple during the initial implementation of the Connect Ed grant and is providing follow up training on campus this year as well. In November of 2019, Holtville Unified School District administered a parent survey and parents responded strongly that they feel their school is clean and well maintained. In addition, parents felt they had input, were able to communicate with staff, and were well informed. Pine School was given a rating of "good" on the Facility Inspection Tool on the last visit from Imperial County of Education staff as they walked through the campus and inspected it. In addition to technology and all core content areas, Pine offers sports programs, a Gifted and Talented Education - Honors program, a technology club and a creative arts program. Pine Elementary School continues to grow in all areas of instruction. Pine's goal is to provide a rigorous curriculum aligned with state standards in order to raise student achievement. Pine School strives to enhance the academic, physical, and social emotional skills of each student through the various programs and teaching techniques used inside and outside of the classroom Pine School staff is committed to the education of every child. Students are provided access to the curriculum and appropriate interventions. Pine Elementary School believes the community, home, and school share the responsibility for a child's education and development; therefore, we work together with members of our community to provide real-world learning opportunities and experiences for our students.

Mission Statement:

At Pine School we are PROUD:

Persistent- never give up
(overcome challenges, meet your goals)
Respectful- kind and courteous
(build positive relationships)
Organized- on time and ready to learn
(build life skills to prepare you for your future)
Understanding- compassionate
(creates meaningful foundation for relationships)
Disciplined- think before doing
(self-control)

Vision

Pine School shapes global learners today into global leaders tomorrow. We provide a safe and secure environment in which all students are given the opportunity to achieve their maximum academic level while ensuring social and emotional well-being. Through a dedicated and positive staff and a supportive community, we foster creativity by establishing an innovative and flexible learning environment which includes technology and the arts.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Textbooks are ordered at the end of each year on an as needed basis. All students have the required textbooks. Teachers have the necessary instructional materials for their classes. on September 30h of 2020 the board approved resolution 19/20-003 that all schools had sufficient instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

Situated on 8.3 acres, Pine Elementary School was originally constructed in 1948 and remodeled in 2002. The original one-room school house is still located on the campus and is used as a storage facility. The campus is comprised of ten classrooms, a library, a computer lab and a special projects room for the creative arts program, G.AT.E. – Honors classes, EL classes and many other activities. Pine School also has a cafeteria, an office building, brand new concrete volleyball and basketball courts, grassy play areas, and dressing rooms. The facility is constantly inspected by the maintenance and custodial staff and by site and district administration.

In 2015, Pine School was awarded the Pine ConnectED Grant, bringing with it a fully wireless campus and a one-to-one student computer use and resources. All student-used rooms have been upgraded with wireless internet, 60" fully functional flat screen TV's, projectors, Apple TV's, and projector screens. Wireless access has been added to the area outside so that teachers are able to take students outside to learn while still accessing their wireless iPads. Every teacher received a wireless iPad, an Apple laptop, speakers and more. A second grant has been awarded, not yet put into place called the Big 2.0 grant which will provided fiber to Pine School. Pine School is moving toward becoming one of only a few schools in the Imperial Valley to be a technology school. This transition to technology will allow Pine School to fully implement the Common Core, Project Based Initiative, and become a paperless school.

School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 2019, September

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	None Needed
Interior: Interior Surfaces	Fair	Art room; The metal plate is not holding the seam in the carpet in place. Classroom needs running water due to cleaning materials used for art activities.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	None Needed
Electrical: Electrical	Good	Electrical cords in the floor need to be covered.
Restrooms, Sinks/ Fountains	Good	The left drinking fountain on the north wall needs the water flow adjusted. Women RR adjust the water flow in the sink.

External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Remove old basketball posts and net structures. Concrete flooring needs filling in of the extensive cracks.
Overall Rating	Good	Repairs are being done.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

 The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	61	N/A	56	N/A	50	N/A
Math	54	N/A	45	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and the community are very supportive of the educational program at Pine School. Through the Pine Community Club, parents are invited to volunteer on campus, participate in fund raising activities, and chaperone field trips. Parents also serve on the School Site Council and as members of the English Learner Advisory Committee.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Pine School. To safeguard the well-being of students and staff, a comprehensive School Site Safety Plan was most recently updated in January 2021. It was discussed with the entire faculty and support staff at the beginning of school in September and again at the end of the semester in January. Procedures for what to do in case of an earthquake, fire, or a lock down are practiced at the site on a quarterly basis. All guests to the campus must sign in at the office. Supervision is provided to ensure the safety of each student before and after school, during lunch and at breaks. Supervision is a responsibility which is shared among yard aides, teachers and school administration. Safety plans are published on each school's web site, and made available to all stakeholders. A printed copy of the Comprehensive School Safety Plan is available at www.husd.net

Suspensions and Expulsions

Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	.03	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Holtville Unified School District provides two days of Professional Development in August before the start of school and two additional days during the school year for staff members. Additionally, professional development is an on-going process in the district. Staff members participate in conferences and workshops throughout the school year. The District provides early release Wednesdays in order to provide all staff with training in areas of need, curriculum development and alignment with the California Standards. Teachers are given release time to work with colleagues in order to look at student data and make changes, as needed, to their lessons in order to prepare all students to meet or exceed state proficiency levels. The focus of professional development continues to be in the areas of math, English Language Arts, and EL improvement. Administrators work closely with other district administrators as well as with the Imperial County Office of Education. Teachers are provided feedback from administration.

Types of Services Funded

Holtville Unified School District provides options for parents and students at four sites: Holtville High School (9th -12th); Holtville Middle School (6th - 8th); Pine School (K-8th); and Emmett S. Finley School (K-5th). In addition, we offer an alternative/continuation high school at Sam Webb High School and Freedom Academy, which is a school of choice. We offer many extra-curricular activities such as band, clubs and sports for our students.

Pine School offers one-to-one iPads, robotics, coding, 3rd – 8th grade Gifted and Talented Education-Honors program, K – 8th grade Creative Arts program, Science, Technology, Engineering, Art and Math (STEAM), project-based learning, after school tutoring, transportation, sports, EL support, and much more to all of our students. The Apple ConnectED grant provides Pine School with one-to-one iPads and technology resources that are offered to students and parents.

The district also offers College Begins in Kindergarten (CBK) as a summer program. AVID (Advancement Via Individual Determination) strategies and college readiness skills have been implemented district wide. All sites within the district offer tutoring opportunities for all students.

Holtville Unified also has a very active Migrant Education Program, which allows students to receive extra tutoring, trips to colleges, and participation in activities such as the Migrant Speech and Debate teams. We have an adult education program which offers ESL, a high school diploma, citizenship and English classes. We have a full transportation department that transports students to and from school as well as our athletes to and from activities. We have a full time nurse for the students as well as two nurse's aides to provide for the health of our students. We are continually looking at the best uses for all funds to meet the needs of our students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
